	Any consultation of third parties or experts will be communicated		
	beforehand and charged separately.		

#### 12. General provisions

- 12.1. Participant fees are charged at the beginning of the year. If the commencement dates back to less than one year, the fees are charged pro rata (calculated quarterly). No fees will be refunded in case of a termination after less than one year.
- 12.2. The fee for Trading Participants includes a single connection to the BX systems. Special connection solutions are charged additionally.
- 12.3. Trading fees are the same for clients and nostro trades.
- 12.4. Trading fees are charged once a month and are due within 30 days from the invoice date.
- 12.5. Reporting fees are charged once a month and are due within 30 days from the invoice date.
- 12.6. Listing and admission fees are charged upon confirmation of admission and are due within 30 days from the invoice date.
- 12.7. Fees for maintaining the listing are charged annually. Relevant for the fees is the number of listed instruments as of January 1<sup>st</sup>. No fees are refunded for listings with a duration of less than a year.
- 12.8. A new issuer is an issuer that had no securities listed on the BX in over three years.
- 12.9. No fees for new issuers are charged for those new issuers that are already participants on the BX or are applying for it at the same time.
- 12.10. For withdrawals of applications, fees incurred are charged according to the List of Fees.
- 12.11. For late payments, a default interest of 10 % per year may be charged.
- 12.12. Refund claims must be made within six months from the date of invoice. Upon expiry of this time limit, the refund claim elapses. A refund claim must be verified with a confirmation from the audit function of the participant

### Special provisions for derivatives (segments AMC and deriBX)

- 13.1 Listing packages are charged at the time of acquisition. If the start is during the year, the fees for stock packages are charged pro rata (quarterly calculation). A premature termination of a package is not possible.
- 13.2. Non-subscribed derivative units within a package expire upon expiry of the term of the listing package.
- 13.3. For stock packages (clause 10.9 section a), derivatives may only be delisted at intervals of at least one month.
- 13.4. Additional capacity charges according to clause 10.8 and clause 10.10 are charged pro rata at the time of acquisition for the remainder of the calendar year. Quote-capacity may be reduced with a cancellation period of two months,
- 13.5. For the additionally available quote-capacity at the end of the year, the invoicing occurs at the beginning of the year for a full year. In the event of a termination after less than one year, no fees are refunded.
- 13.6. Within the meaning of this List of Fees, actively managed certificates (AMC) are derivatives with a discretionary management of their underlyings or their underlying index, or with an underlying index that is not freely licensable. These derivatives are traded in the segment AMC.
- 13.7. For the listing of AMC, the fees according to clause 9 are applicable. A listing under a package according to clause 10.6 is not possible.
- 13.8. For the determination of the maximum fees according to clause 8.4. and clause 9.7 and for listing packages according to clause 10.6, instruments of issuers which are group companies of the same corporate group are considered together. This excludes subsidiary companies of which less than 50 % are owned directly or indirectly by the corporate group's parent company.

#### Special provisions for collective investment schemes (segment Swissfunds)

14.1. For listing applications from new issuers/umbrella funds submitted until the end of December 2018, the fee for new issuers is waived pursuant to clause 8.1.

#### 15. Final provisions

This List of Fees was adopted by the board of directors of the BX Swiss AG. It enters into force on 24 October 2018 and replaces the List of Fees of 20 July 2018.
